

1. What Personal data do we collect and how do we use it

What we need

Nylon Fasteners Ltd is what's known as the 'controller' of the personal data you provide to us. We will usually collect basic personal data about you, like your name, postal address, telephone number and email address.

Sometimes we will collect other information about you but we will be very clear with you for our reason for collecting such information, and we would only do so with your specific consent and permission.

Our marketing

We may process personal data, when we need to do this, to fulfil a contract (for example, if you have purchased something from our website) or where we are required to do this by law or other regulations.

Nyfast also processes your data when it is in our legitimate interests to do this and when these interests do not override your rights. Please see the section on '[Legitimate Interest](#)' for more information.

How we obtain your details

We will also hold information about your details so that we can respect your preferences for being contacted by us.

We collect your personal information in a number of ways:

- When you provide it to us directly.
- When you provide permission to other organisations to share it with us (including Facebook or Twitter).
- When we collect it as you use our websites or apps.
- When you have given it to a third party and you have provided permission to pass your information on to us.
- From publicly available sources (where possible) to keep your information up to date (e.g. the Post Office's National Change of Address database).

We combine the information from these sources with the information you provide to us directly.

When providing permission for 3rd party organisations to share your data you should check their Privacy Policies carefully to understand fully how they will process your data.

Anything else?

All the personal data we process is processed by our staff in the UK however for the purposes of IT hosting and maintenance, or shipping purposes, your information may be situated outside of the European Economic Area (EEA). This will be done in accordance with guidance issued by the Information Commissioner's Office.

If you would like to change the way you hear from us or no longer wish to receive direct marketing communications from then use the contact form on our ['Contact Us'](#) page.
